PRINCIPAL MESSAGE

Welcome back! We hope you had a restful Christmas Break with family and friends.

*O God, you sent your Son, Jesus,
 to be the light of the world.
 He is the light that no darkness can extinguish.
 By his life, He shows us the way to joy and
 peace,
 To justice and righteousness.
 Help us to follow his light.
 Amen*

During the month of January, we will be introducing a new attendance reporting system. I invite you at this time to register your email address with our school website as soon as possible so you will be able to keep up to date with the roll out of this new system. We are presently one of seven schools in the city working with this new system and it will be another way to ensure that you have ongoing access to report your child’s absence using technology which includes your home computer, cellphone, tablet and telephone. As we continue our move to increased levels of efficiency and convenience to our families, your assistance in providing us with a way to contact you via email at this time is greatly appreciated. For now, simply visit:

<https://stah.hwcdsb.ca/admin/mail/subscribe/>
 Follow the directions on that page to subscribe to our email messaging system as we make our move to the new absence reporting system. Your registration at this time will also keep you

informed of the regular news items related to the activities and events at St. Ann School.

MOHAWK COLLEGE SCHOOL OF BUSINESS CHRISTMAS DONATIONS

On Friday, December 23rd, Wayne Aubert a Mohawk College professor along with students from Mohawk's McKeil School of Business dropped by and handed out backpacks and toys to 340 students from our school. Also in attendance were Blair and Kathy McKeil, one of the project's biggest sponsors. The St. Ann Hamilton community is very grateful for this wonderful partnership that has been developed over the past two years and the generous support of all members of the Mohawk College community!

A special note of thanks to our Director of Education, Mr. David Hansen, our Superintendent of Education, Mrs. Toni Kovach and our area Trustee Mr. Tony Perri for their support, participation and attendance at our shared community Christmas Celebration. Their involvement in the great work that happens at St. Ann school helps to ensure a true community event!
 Thank you!

SCHOOL MASS

Our next school mass will be Wednesday March 1st at 10:00 a.m. Please come out and join us for our community celebration at St. Ann Church. Father Joe will be visiting classroom in the months of January and February.

STUDENT ABSENCES

It is important that all student absences be reported. The school has an answering machine in operation daily from 4:00 p.m. to 8:00 a.m. where a recorded message may be left about a student's upcoming absence. It is the school's safe entry policy to contact parents of absent students unless we have prior notification about their absence. Parents/Guardians will be phoned at work if we cannot reach them at home.

SCHOOL CASH ONLINE

Thank you again for everyone's patience as we continue to perfect the cash online system. Our continued efforts will ensure a seamless and accountable way to track payments and maintain financial integrity. If you have not already registered for this service, please contact Mrs. Ragonetti at 905-547-5444 to arrange for a quick walk through the easy registration process. Shortly, we will be moving school trip payment methods as well as special lunch orders to take place using this tool more thoroughly.

NUT SENSITIVE ENVIRONMENT

Please be reminded that St. Ann School is a NUT SENSITIVE ENVIRONMENT. This year, we have a student and staff member that have such a severe allergy that any food with nuts in it that is airborne will cause a reaction that could be life threatening. Please ensure that your child does not bring food items that contain any nuts or nut byproducts. We thank you in advance for your cooperation.

St. Ann Hamilton is a place where all children feel safe and have a sense of belonging. To ensure the safety and well-being of all children, please note below important information from Anaphylaxis Canada:

- Anaphylaxis is a serious allergic reaction that is rapid in onset and may cause death;
- Signs and symptoms of a severe allergic reaction can occur within minutes of exposure to an allergen (a substance capable of causing an allergic reaction)
- Very small amounts of certain foods can cause severe reactions when eaten. This may happen if a person at risk touches an allergenic substance and then subsequently touches the mouth. Even a very small amount 'hidden' in a food or transferred to a serving utensil has the potential to cause a severe allergic reaction. Direct ingestion of an allergy-causing food poses the greatest risk for people with food allergies.

Cooperation from parent and guardians in adhering to the guidelines below is most appreciated:

- There are students at this school who are allergic to the following foods and items: **any food with nuts.**
- Parents will be advised of allergens specific to a classroom, and are asked to adhere to the accommodation(s) requested.
- Reinforce hand washing practices: wash hands before and after eating.
- Remind children not to share or trade food, food utensils, or food containers.
- Please do NOT bring any home-made food products into the school; with permission, non-food items are permitted for various celebrations and special events and activities.

Thank you for your help in keeping all our children safe.
