Dear Parents,

We are starting a St. Ann Reading Club and we need your help! The reading program is intended to encourage children to become more self-directed and to take responsibility for using reading strategies that work for them.

The program is designed for students in Grades 1-3. Each child in the program will receive a fifteen to twenty minute session, once or twice a week depending on the number of volunteers.

We need parent/guardian reading coaches to read with the children on a one-to-one basis. As a coach, you would need to spend approximately one hour a week at the school. If you are available more than one hour a week, please indicate this on the response sheet and return it to school by **Monday September 23rd**.

We will be having a training session in late September/beginning of October to describe how the program works and provide you with everything you need to coach successfully. Please indicate below the best time for you to attend a short training session.

All volunteers are required to have a current police check on file at the school. If you are interested in becoming a coach but do not have a police check, please contact the school and we will advise you on how to obtain one. We appreciate your support in this endeavor. We wouldn't be able to do it without you! If you have any questions about the program, please do not hesitate to contact me at the school.

Thank you,

Mrs. M. Ermacora
