Message from the Principal

As we begin the last month of the school year, we celebrate the many successes that we have achieved especially during these difficult circumstances. We also thank the many people that helped make this school year a success. We thank our staff who have committed to the academic, spiritual and social development of our students. Thank you to the many community partners and tutors who provided support for many in our community. Many thanks to the Catholic School Council and all the parents who take the time to make St. Ann Hamilton a wonderful place to Live, Love, Learn and Lead like Christ. I would like to personally thank Father Oehring for his spiritual guidance and support and to Mrs. Ragonetti who does so much for the school and for me each and every day! I look forward to meeting all of our new students, parents and guardians as well as welcome back all the great students and their families as we work through the many exciting opportunities that await us in the year ahead. May God Bless Our Grade 8 Graduates!
Yours in Catholic Education,
Mr. Curto

Bulletin Board

Dear Lord,

We thank you for the many blessings we have received this year. We voice our gratitude for the good things you have done in us, and we praise you for all who have shared in the work of our school. We ask you to please bless all of our learners, their families, and our staff and give them refreshment and peace during these summer months.

Amen

EARLY HOLIDAY/ LATE RETURN

Parents who are withdrawing their children from school before the end of the school year or who will be returning after the start date of school in September are asked to inform the school in writing, as soon as possible.

SUMMER SAFETY TIPS

The following are precautions that should be taken by children and adults to avoid sunburn, sun/heat stroke, and dehydration:

Use Sunscreen: Wear sunscreen with an SPF (sun protection factor) of at least 15. Apply sunscreen all over the body (even in places covered by clothing) 30 minutes before going outside, and reapply every two hours or after swimming or sweating. Sunscreen should be worn for any outdoor activity, even on overcast or cloudy days.

Avoid the Heat: Avoid outdoor activity between 10 a.m. and 4 p.m., when the sun's rays are the most intense.

Get the Right Gear: Wear sunglasses with 100% UV (ultraviolet) protection. Everyone, especially very young or very fair-haired children, should wear a hat. Wear cotton clothing, preferably with a tight knit.

Stay Hydrated: Be sure to consume enough water, and avoid sugary and/or caffeinated drinks such as soft drinks

FDK Registrations

We will begin processing new FDK registrations for September 2021. Parents wishing to register their child in JK or SK for September 2021, are asked to log into our school website

(stah.hwcdsb.ca) and click on the online registration link. Once the registration has been submitted and validated by our school secretary, an email will be sent to the parent to let them know that the registration has been approved. Once that process is complete, the parent will be notified to contact the school to make a registration appointment (905-547-5444).

Report Cards

On June 25th your child will be receiving their Report Card. Please take the time to discuss the report card with your child. If there are any concerns, please contact your child's teacher for clarification. By working together, we can use this last report as a stepping stone for next year. Please remember to fill in page 3 of the report and return the page to the school before June 29th.

Planning for September 2021

This process always includes a great deal of thought taking into account a number of different factors. To alleviate many of your concerns, we want to share with you all of the factors that are considered in placing your child in a particular grouping:

- accommodations for our exceptional children
- students who are on similar academic programs and levels of programs
- students who are a positive support and influence for each other
- number of classes per grade needed
- number of females and males
- **Social blending. We will attempt to place students in groupings where they will effectively learn. This should not be viewed as a grouping of friends.**

There will be split classes this September. Our staff will work together to create classes. **However, if you feel that it is necessary to share information pertaining to the programming needs or social/emotional concerns, please email Mr. Curto – no later than May 7, 2021.** Please include the full name of your child, the grade in September 2021 and the name of a student they would like to have in their class.
