

PARENTING TIP OF THE MONTH

Tip #69 – Parents are the first and foremost teachers of their children. We model for them how and who to be in the world. If you want your children to be respectful, then you must be respectful; if you want them to be happy, then you must be happy; if you want them to have a relationship with God, then you must have a relationship with God. They are watching us and we are powerful influencers of who they become.

MARRIAGE TIP OF THE MONTH

Tip #49 – Experts tell us that we need to spend quality time with our spouse to gain the true connection that we seek with one we love. Taking a walking, reading a book together, eating a dinner together after the kids are in bed, asking what you did good today as a couple and what you could have done better at the end to the day – these are all ways to strengthen the love you share and uncover the feelings of dating that you once shared!
