VIA E-MAIL

TO: ELEMENTARY & SECONDARY PRINCIPALS
ELEMENTARY & SECONDARY VICE-PRINCIPALS

FROM: T. KOVACH
ASSISTANT SUPERINTENDENT OF EDUCATION

DATE: APRIL 16, 2014

RE: **E12: PEANUT/NUT REDUCED PROGRAM – TORONTO BLUE
JAYS BASEBALL CLUB**

Please find attached, information about the Toronto Blue Jays Baseball Club, Peanut/Nut Reduced Program, to share with the school community.

The Peanut/Nut Reduced program offers individuals with peanut/nut allergies and their families the opportunity to enjoy Blue Jays baseball in a comfortable and safe environment unique in the city.

Individuals who have peanut/nut allergies and their families keep their distance from professional sports venues because of the inherent risk of exposure associated with these public spaces. The Toronto Blue Jays Baseball Club pays careful attention to cleaning a designated section, as well as offer a separate concession and bathroom for our peanut/nut reduced customers in order to manage this risk.

Tickets can be purchased both individually and in groups.

The attached poster can be distributed to the school community.
